FEEDBACK

## Showcase your skills with certifications

 Woman examining a 3D printed model

**Autodesk Certified User (ACU)**

For secondary students and non-English speakers in all industries, this certification validates foundational Autodesk software skills.

 Man holding a CNC machined part in front of a Fusion 360 screen model

**Design and manufacturing**

Prove your skills in CAD, CAM, design-to-manufacture workflows, and generative design with these Associate, Professional, and Expert certifications.

 Two people on a construction site looking at a building rendering on a laptop

**Architecture, engineering, and construction**

Advance your career in architecture, engineering, and construction by highlighting your knowledge of CAD and BIM tools.
